

Password Recovery

To reset your Seminary password, go to [Account Recovery](#) and enter an e-mail address known to the Seminary.

This is probably the address you used to communicate with the Seminary (To change this address, go to [Account Management](#)).

Once you enter an e-mail address, if it's found, an e-mail with a link will be sent to you allowing you to reset your password.

Account Recovery

If you've forgotten your ptsem.edu username or password, please enter an e-mail address associated with your ptsem.edu account.
